HIGHLY RECOMMEND!!! The Zen house was very clean and peaceful. My family enjoyed a nice, quiet space and the host was more than welcoming. We enjoyed privacy and we were close to everything we came for. My family and I look forward to visiting again.

We were in town for a family reunion. Was so happy that this place was near (about 10 mins) Village Inn - great breakfast restaurant. And many stores to go shopping. The location was great. It was also about 20 mins from family.
The apt is behind the main house which had a nice vegetable garden and flowers.
Very quiet and right off the main road. Yulin was very helpful. Whenever I had questions, he responded quickly. His sister was also helpful the first day we arrived.

It's a cute little place and when we met the woman staying on the other side of the home she was friendly and helpful. Would absolutely stay again

It's a bit smaller than you may think but the area is so softly quiet I couldn't help but sleep all day

Second time staying, Host was responsive and quickly resolved any issues that arose. No issues with roommates, parking or any of the other amenities. Recommend if you're going to be in the area.
